Hi Maya,

As mentioned on our call yesterday, I am forwarding something we put together to suggest guidance and allocation of lead responsibilities for proposed issue/position papers for the WHO Conference on Air Pollution and Health. Please adjust as you see needed, and will look to HHS to distribute to relevant contacts/agencies as needed. I am around today in case you have any question on the content of this draft, but please note that I will be out tomorrow, but other EPA contacts cc'd should be available.

Thanks,
Ted
